

Member crews who did not earn a berth to CCWC at National or Regional Championships, but wish to go to the CCWC can petition the USDBF for an available berth. **Member crews must have competed in their regional championships or US National Championships and must have placed in fourth place or higher to be eligible to petition for a berth.** Member crews will only be allowed to petition for a berth in the division in which they competed at Regionals and/or Nationals.

If the member crew did not compete in the division at CCNC, there is a petition fee of \$1,645.00 (the registration fee for Club Crew National Championships). Each member crew's petition must be accompanied by a deposit of \$822.50. Checks must be made payable to USDBF and mailed to the address at the bottom of this document. The balance of the fee, \$822.50 will be due within 30 days of acceptance of the berth by the member crew.

The petition fee for all Youth Crews petitioning is \$822.50 total. A deposit of \$411.25 must be paid at the time of petition. The balance of \$411.25 will be due within 30 days of acceptance of the berth by the member crew.

Youth crews that competed in their Regional Championships may be eligible to petition for available youth berths. For more information email : [CCNC2019@usdbf.org](mailto:CCNC2019@usdbf.org)

**Petitions must be submitted by October 7, 2019.** Petitions should indicate if you are requesting a standard or a small boat; your club information (including email contact information for this crew); the crew's placement and times at CCNC (if attended) and Regional Championships (must have finished fourth place or better); the division raced in (i.e. Senior B Mixed), as well as the number of crews competing in the racing division. A check for the petition fee deposit must be included with the above information. The CCNC committee will carefully review all petitions. Time and placement at CCNC and/or Regional Championships will determine how petition berths are awarded. Petition Berths will be awarded no later than October 21, 2019.

Berths must be accepted by the petitioning crew no later than October 28, 2019. Payment in full must be received at the address below within 30 days of the berth being accepted. If a petitioning crew is not awarded a berth (for example, all remaining berths have been awarded to other petitioning crews) then the petition fee deposit amount will be refunded to that crew. If however an awarded berth is declined by the petitioning crew, the deposit amount will be forfeited.

Please mail your petition fee deposit and other requested crew information to:

USDBF
