

2020/2021 High Performance Committee

HPC Mission – to create a USDBF Team USA whose staff and members represent: diversity in the sport of dragon boating; a team that includes the most highly skilled coaches and respective crews reflective of the athletic performance, and paddling ability, of the members of the USDBF and its regions. To monitor coaches’ performance and Team USA activities leading up to and post Dragon Boat World Championships to ensure fair, open, and transparent selection and preparation processes.
